Smart & Efficient Technology

- Easy open/close side hinge
- Private label ready (min. qty required)
- Reduced program runs when lights are off to ensure consistently fresh space

Tech Specs

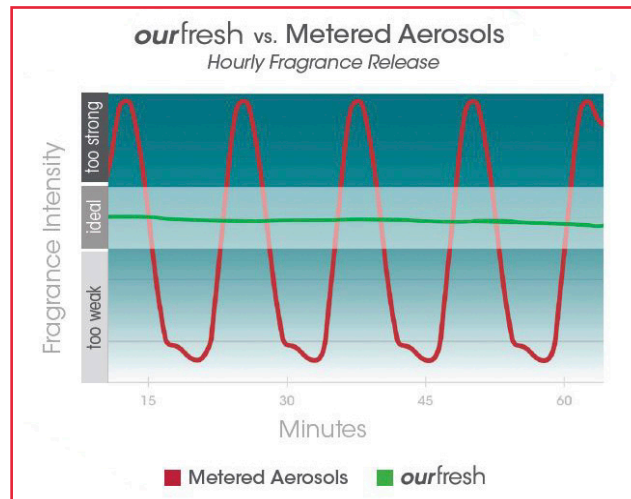

Light Sensitive - fan runs at regular program setting when there is light (natural or artificial) and runs at half program when dark

Requires one C Alkaline Battery (**Each fragrance refill comes packed with a C battery**)

Removing the battery starts the program over at day one

GREEN light blinks every 15 seconds when program is running

RED light blinks on day 30 or if the battery is low
